LAWN PARTY BY THE BAY 2026

"Helping Kids in Need"

Saturday, December 5, 2026 • 12:00–2:30 PM • Ken Thompson Park, City Island

Dear Friend of Our Community,

On behalf of the Kiwanis Club of Longboat Key, it is my honor and privilege to invite you to become a sponsor of our signature annual fundraiser: The Lawn Party by the Bay—returning Saturday, December 5, 2026.

Last year's Lawn Party by the Bay was a tremendous success, raising over $120,000 for the Children's Guardian Fund. We are proud of what our community accomplished together—and we are ready to build on that momentum in 2026.

This beloved community tradition brings together over 800 guests for an unforgettable afternoon of gourmet tastings from up to 30 local restaurants, fine wine, craft beer, live entertainment, and a heartfelt spirit of giving. Every dollar raised benefits the Children's Guardian Fund—a local nonprofit providing essential resources and life-enriching opportunities to children in foster and state care across Sarasota, Manatee, and DeSoto counties.

Our celebrated 50/50 raffle is one of the event's most anticipated highlights. In a remarkable act of generosity, last year's raffle winner donated the entire prize back to the Children's Guardian Fund—a reflection of the extraordinary community spirit that makes this event so special.

We are actively seeking community-minded sponsors who wish to align their brand with a cause that truly matters—while enjoying meaningful visibility with a highly engaged, affluent audience. Sponsorship packages range from $2,500 to $20,000 and include a variety of benefits such as premium logo placement, stage recognition, dedicated tent space, event tickets, and prominent inclusion in all digital and print materials.

The enclosed sponsorship opportunities reflect the various ways you can make a difference—and make your mark—at this year's event. I invite you to review them and join us in creating something truly special for the children of our community.

To secure your sponsorship or to learn more, please reach out to any member of our team—we would be delighted to speak with you personally.
